

Privacy Policy

This article contains the privacy statement of Prisync's (prisync.com) service as a competitor price and stock availability monitoring solution.

Information collected

When you request additional information or register on prisync.com's web site, you will be asked to provide basic contact information.

Prisync uses common Internet technologies, such as cookies and to keep track of interactions with its websites and emails.

Use of information

Prisync uses information collected to provide you with the service you request.

Prisync may use information collected to provide you with additional information about its services, promotions, partners and events.

Prisync may use collected to improve its web-sites, services and interactions with its users.

Customer Data

Customers of Prisync may electronically submit data or information to its services. (“Customer Data”)

Prisync will not review, share, distribute or reference any such Customer Data except as provided in Prisync’s Terms & Conditions. In accordance with Prisync’s Terms & Conditions, Prisync may only access Customer Data for the purposes of providing the services, preventing or addressing service or technical problems, at a Customer’s request in connection with customer support matters.

Communication preferences

Every marketing email from Prisync can be directly replied, therefore opting out can be done by replying an email. Additionally, you may send a request to info@prisync.com to unsubscribe from the marketing emails from Prisync.

How to contact us

For more information about Prisync’s data and information practices and service scope, please view Prisync’s Terms & Conditions.

Further questions regarding Prisync’s Privacy Policy and Terms & Conditions should be directed to info@prisync.com.
